Important information

Other Services: Please let us know if you want us to provide a service that isn't listed above. Should WWHS utilise a third party to provide services in order to give effect to a request by you, the cost of the service may differ from that listed in our Pricing Schedule. You will be notified of the cost prior to the commencement of the service and you must tell us immediately if you do not agree to the cost.

WWHS may engage our preferred third party suppliers to provide services where necessary or appropriate or where requested by our clients. These are the rates we charge when engaging services from our preferred suppliers. We cannot guarantee access to any or all of our preferred suppliers at your location, so you may not receive the cheapest rate within this range.

Cancellation: If you cancel a service provided by WWHS within one week of a scheduled service a cancellation fee equal to the service will be charged. If WWHS has to cancel a service and you want the service provided by a third party provider instead, the cost of the service may differ from the WWHS charge, and you will be notified of the cost prior to the commencement of the service. If you cancel a service provided by an agreed third party provider any cancellation fee charged by the provider will be on-charged.

Fee increases: In line with each increase in Support at Home Subsidy rates (and applicable supplements) as published by Department of Health and Aged Care (which is usually on 1 July each year), with effect from the date the subsidies change.

AND

By the greater of any increase in CPI (All Groups, Melbourne) and any increase in the average wages of personnel concerned with the provision of home care (casual and permanent) under an applicable award or industrial instrument since the prior year. This is in addition to any increase to reflect changes in the Support at Home Subsidy rates.

GST: If GST applies to services, it will be added to the service charge. Generally services provided by WWHS are GST free.
